

Jesus Christ came to bring the truth and love of God so that we could be free once and for all.

Jesus told us the truth. Everything on earth will be destroyed. God's kingdom is eternal! We must put our focus, heart, and treasure in HIS kingdom and not the things of this life!

Jesus died and rose again to prove to us that death has no power over him! He promised that all who follow and believe in him will NEVER die. Satan and disease can only touch our bodies but cannot touch our souls. We are SAFE in Christ!

In Christ there is nothing to fear. Through him, we are more than conquerors by his love!

FEAR

Fear is real. It doesn't matter what anybody says. Fear is real, and it can control you.

Fear torments. Fear can torment your mind and prevent you from thinking clearly. Fear has a power to grip you and hold you in bondage. It can keep you from moving forward in life.

Satan is real. It doesn't matter what anybody says. Satan is real, and he wants to control you.

Satan uses fear to trap you and keep you under his power. One of his greatest weapons is using lies and false reports to hold you in fear. And his greatest weapon of all is using the FEAR of DEATH to hold people captive. When death comes close, people are terrified of it...

Truth and love are real. It doesn't matter what anybody says. Truth and love are powerful.

Truth and love make you free. Truth allows you to see through the lies and false reports to focus on what matters. Love brings security, comfort, and hope. Perfect love casts out all fear.

God is real. It doesn't matter what anybody says. There is 1 God, and he wants you to be free.

God brings truth and love to free you from Satan's lies and the world's corruption. Through the power of his word and Spirit he can make you free to LIVE and to LOVE no matter what you face on this earth. But this can only happen if we turn from the lies and RECEIVE God's truth and love.
