

**God sent his Son Jesus from heaven** to make the way for us to become worthy to enter in. Jesus is the **ONLY** begotten Son of God who brought the truth from the Father himself.

**You either submit to what Jesus taught** and believe in HIM with all your heart or you will not enter in. Jesus revealed that the **ONLY WAY** to the Father is through HIM. He is **THE WAY**. He shed his blood and rose from the dead so that we could come directly to the Father by HIM.

**You cannot come through** other "prophets", saints or ancestors. You cannot mix Jesus with other things. Only through Jesus Christ and his word, his blood, and his Spirit can you be made worthy to enter in. Repent! He is the **ONE WAY**.

**2+2 = 4.** There is only ONE correct answer. All other answers are wrong.

**To become a citizen of a foreign nation** you must approach the immigration department of their government properly. You must fill out all of their required documents. You must submit everything that they require of you. They will then interview you and decide if you are worthy to become a citizen or not. You do not have the final decision; you cannot make your own way.

**To become a citizen of God's kingdom** is not something that you can do on your own. You cannot make your own path. You cannot just follow traditions or culture. The only way to enter God's kingdom is you must approach HIM the correct way. You must come the way that he requires. He decides who is worthy to enter in.

**There is only ONE WAY.** God is not lawless. He does not allow people to make their own way.

**He has made ONE WAY** so that people from all nations can become citizens of his kingdom. He has made the way so that sinners can be washed, redeemed, and made worthy to enter into his kingdom. But you cannot mix your ways with HIS WAY. You cannot add your own documents, rituals or traditions. You either submit to his ONE WAY or there will be NO WAY in for you.

**God's first requirement to enter in** is you must be humble. You cannot be full of pride and full of your own thoughts and ways. You must be willing to repent of everything that is not acceptable to HIM. You must be willing to listen to HIM and learn to come HIS WAY. You must reject all other ways. His WAY is the ONLY WAY.
